Dear WERN Supporter,

Re. Western Emergency Relief Network

Statement of Purpose:

Western Emergency Relief Network (WERN) makes a difference to those of our Community in need by providing emergency relief and assistance through our Member Welfare Agencies.

Program Description:

WERN is a non-profit Incorporated Association registered as a charity with the Australian Charities and Non Profits Commission and holds Deductable Gift Recipient status with the Australian Tax Office. WERN comprises of interested Rotary Clubs in the designated area of operations and designed to supply good quality second hand furniture, electronic and whitegoods, to people in need without charge. WERN is currently located at Factory 2, 23 Westwood Dve., Ravenhall.

The people assisted are those located in the WERN Area of Operations who have been identified to have an urgent need as a result of experiencing trauma or loss, where they have a need to move or perhaps cannot afford basic living requirements, where they are struggling to buy essentials such as furniture and other household goods. Such traumas include long-term illness, unemployment, loss of home and belongings through fire, domestic violence, lack of family support, homelessness, or refugee status.

WERN is run and staffed by volunteers and is totally dependent upon the support and generosity of individuals, organizations, businesses and local government to fund its operations and meet its goals through member welfare agencies' referral of clients in the northern and western regions of Melbourne.

Area of Operations:

The Municipal Councils in the WERN region are:
Brimbank; Hobson's Bay; Hume; Maribyrnong;
Melton; Moonee Valley; Moorabool; Moreland and
Wyndham.
